Top 5 Reasons to Attend IBS 2010

There are almost as many reasons to attend the [International Builders' Show](#) (IBS) as there are builders and remodelers. If you've been to IBS in the past we're pretty sure you have your own list of favorites. Check out our top 5 below!

5. Learn 832 new uses for a crescent wrench!

Okay, we're exaggerating ... but with [175+ educational sessions](#) on nearly every home building topic you can think of, how can you go wrong?

4. See products by the truckload (truck not included).

Check out all the newest offerings from the leading suppliers and manufacturers at the industry's most exciting [exhibition hall](#).

3. Engage in riveting conversations.

Benefit from a wide range of opportunities to build profitable, lasting connections with other builders and allies in relaxed, casual settings.

2. Give your ears and mind some exercise.

Listen to our dynamic headline [speakers](#) for insights and techniques you can use immediately and throughout the year.

And the # 1 reason to attend IBS 2010 is ...

1. Invest in yourself and your business.

Get the information, personal connections and tools you need to take your business to the next level — all in one place, all at one time AND at an extremely [affordable price](#).

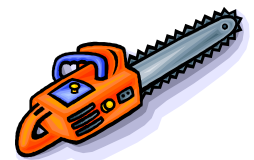

Show Dates: January 19-22, 2010 (Tuesday—Friday)
Show Location: Las Vegas Convention Center, Las Vegas, NV

AHBA has been a big supporter of the work done in Ukraine at Open Doors Camp and in the Philippines at Camp JeLoy through the Advancing Native Missions Construction Teams Ministry. The team is currently trying to start a ministry for

the Asian Youth Children Ministry (AYCM) called "AYCM Tool Shed Ministry". This will be a vocational training center located at Camp JeLoy in the Philippines. Local men, women and young people will be taught construction and other skills to enable them to generate income to help put food on their tables. One of their major needs is for donated power and hand tools, new or used, battery or electric powered. They can also use any other items normally found in a workshop that are of a size that can be shipped in a 23"x20"x17" Fourex box. Weight doesn't matter. If you have any tools you can donate, you can contact Mike Twitchell at 540-456-7111 or mike@adnamis.org. You can also contact Tammy who will contact Mike for you.
