

Sir,

I have recieved all 87 boxes you sent you have no idea at how it helped the morale of my troops to put away the sleeping bags and crawl into some real sheets. I thank you for all you have done as well as i believe it was your daughter merideth. you should be recieving something form us to show our gratitude its nothing compared to what you have done for us but its important to let you know we care as much as you both did to help out my platoon. thanks again

Brian

I am in SFC Mullins platoon and I recieved one of the bedding sets out here in Fob Iskan Iraq. I love it. I slept so good. I was thinking how nice it would be for a nice pillow with sheets. We got them. Thank you very much. I appreciate everyone who helps us out here in iraq. The fob we are on doesn't have a PX so we dont have much. This was wonderful. Again thank you for helping out and sending this to us.

Thanks again for your support.
