Agreement to AHBA:

I agree to abide by the Constitution and By-Laws of the Augusta Home Builders Association, of the National Association of Home Builders of the United States with which it is affiliated, and of the affiliated Home Builders Association of Virginia. A remittance of \$460 representing my annual membership dues in the affiliated associations accompanies this application. Of the amount remitted by me for annual dues, \$15 is for a subscription for one year to the BUILDER magazine published monthly, and \$10 for the Nation's Building News, published biweekly (except for July, August, and December). Note: Annual membership dues for affiliate members are \$65 per year. Affiliate members share all benefits of membership as an associate or builder member as long as the main company membership is maintained. Dues payments to Augusta Home Builders Association are not deductible as charitable contributions for federal income tax purposes. However, dues payment may be deductible as ordinary and necessary business expense subject to an exclusion for lobby activity. Because a portion of your dues is used for lobbying by NAHB, Home Builders Association of Virginia and Augusta Home Builders Association, \$89.62 is not deductible for income tax purposes. (2018 Tax Year)
